

## Nature in the Neighborhood: BINGO

Go for a walk in your neighborhood and see what nature you can find! Just remember to maintain proper social distancing and share the sidewalks and trails.

Find something in nature that is green	Identify a plant you don't know	Listen for bird calls	Draw a tree that you find	Spot an insect
Find evidence of an animal's home (nests, holes in trees)	Draw a bird you find	Collect leaves to make leaf rubbings	Take a photo of a flower	Find something in nature that is yellow
Find a plant with berries or fruit	Hug a tree	<b>Free Space</b>	Find something in nature that is white	Pick up trash (using gloves and/or tools)
Draw a flower that you find	Find something in nature that is red	Find evidence that an animal was here (tracks, scat)	Identify a bird you don't know	Take a tree selfie
Find an interesting tree	Spot a bird	Find something in nature that is purple	Find a flower bud that has not yet bloomed	Find something in nature that is brown
